

Terrorism Annotated Bibliography Assignment

Part I:

Find 3 articles from ProQuest, SIRS, or EBSCO. Read the criteria below for each article.

1. Historical Perspective: Find an article about a terrorist act before September 11, 2001.
2. American Changes: Find an article about how America has changed since the events of September 11, 2001.
3. Hatred toward America: Find an article describing how many people from countries around the world do not like America.

Part II:

Write the annotation for each article by summarizing. Use the Citation Machine to correctly cite your source. See WORKSHEET GUIDE.

Part III:

From the information found and your own personal knowledge, answer one of the two questions in short essay form. Use information from the articles as evidence for your beliefs.

- ❑ How would you rate the progress of America's prevention of terrorist acts?
- ❑ Support one of the following assertions based on the evidence from the articles found.
 - Actions against the United States are justified.
 - Actions against Afghanistan are justified.
 - Actions against the United States are not justified.
 - Actions against Afghanistan are not justified.
